New for 2026/2027: A Reem of Paper & Art Box

Due to the rising costs in stationery and reduction in the book grant we are asking each pupil to provide one reem of paper and have an Art Box for school. ***The reem of paper provided must be at least 75gsm in order to be compatible with our school printer.***

Art Box

Please Note:

I will store your son/daughter's art box from 2025/2026, we will use the same materials in 2nd Class. There is **no need** to add to or update this box. In lieu of this if possible, I would ask that each pupil can provide €10 in an envelope which I will collect in September. We will use this money to purchase a shared class supply of a range of paper, fabric and construction materials for both art and STEM activities.

Many Thanks,
Ms. Ryan.
